

WE'RE MAKING AMERICA HAPPEN

ARE YOU?

AFSCME members make America happen by keeping our communities safe, healthy and strong. And we're proud to join President Obama in his fight to fully invest in public services, guarantee quality, affordable health care for all and grow the middle class through the Employee Free Choice Act.

Visit www.MakeAmericaHappen.com to find out how you can make it happen.

The AFSCME logo features a stylized white graphic of a person's arm and hand reaching upwards, positioned above the acronym "AFSCME" in a bold, white, sans-serif font. The entire logo is set against a dark blue background that is part of the overall image's design.
